\$70,000.00 DEFICIT OR "OVER EXPENDITURE"?

Legal Action Against Bob Russell

The interest of School District supporters in the Special Meeting last Monday night of the St. Albert Protestant Separate School District was so overwhelming that the Board decided to move the meeting to the gymnasium of the Sir Alexander MacKenzie School with much larger capacity.

But before this removal took place the Board had already expressed its disagreement with the contents of a "blue" pamphlet circulated last Sunday in St. Albert, blaming the School Board because only 20 Gr. 12 students out of 66 achieved University entrance in Sept. 1965. As this pamphlet was circulated during an election campaign, the Board refused to state the name of the writer, but made it quite clear in a motion that they were much disturbed about this "incorrect information".

HOWEVER THIS INCIDENT WAS NOT THE MAIN REASON SO MANY PROTESTANT SCHOOL DISTRICT SUPPORTERS ATTENDED THIS MEET-

ING. THEIR INTEREST WAS MAINLY CONCENTRATED ON A RADIO NEWS RELEASE BROADCAST LAST FRIDAY, WITH TEXT AS FOLLOWS:

"The fact that there is a \$70,000.00 deficit in the salaries portion of our budget has been deliberately withheld from the public during Mr. Walker's campaign for re-election."

Mr. Russell said that "Mr. Walker is claiming that he lowered the mill rate by five mills for 1966, but he neglects to mention that a serious deficit exists on the Board's books." "All the juggling in the world cannot hide the fact that a serious discrep-

ancy exists in the District's finances."

"It will mean" said Mr. Russell, "that we will have to use funds set aside for necessary school equipment and maintenance to cover this shortage and still be faced with a deficit and a higher mill rate for 1967".

Mr. Russell is serving his third year as a district

Town Finance Committee

TOWN FINANCE COMMITTEE
MEETING September 29, 1966.

PRESENT WERE:

Chairman Councillor Parkes, Councillors Wheatley and de Bruijn, Loyd Wheatling, Secretary-Treas., S. L. Billings, Assistant Sec.-Treas., and A. R. Gate, Parks & Recreation Sup't, ST. ALBERT CRAFTS GUILD:

This matter had been referred to the Committee from the meeting of Council held on September 26th, 1966. The following members of the Guild were now present: Mrs. Martindale, Mrs. Morris and Mrs. Sadee.

Mr. Wheatling presented the brief submitted by the Crafts Guild, requesting the financial support of the Town by way of providing adequate accommodation for the activities of the Guild. Mr. Wheatling further explained to the Committee that he and Mr. Gate had made several attempts to obtain accommodation with various organizations within the Town and although they had had no success as yet, they were continuing along these lines. It was thought that space may be available at either the Youville Home or one of the schools of the Public School Board. Various questions were asked by the Committee of the Guild as to the operation of the Guild. The Committee also pointed out that at the present time it could not recommend a grant to the Guild as this would create a precedent and further, that there were no funds available for such a grant in the 1966 Budget. The Chairman of the Committee suggested that the Guild give the Town a

MAYOR'S COLUMN

While reading a campaign ad, from an Aldermanic Candidate in Edmonton, I noticed that he felt the City Council, as the Senior Governing Body in the City, should take a firmer hand in School Board affairs.

For the life of me I can't determine how anyone can come to the conclusion that a Council is a Senior Body to a School Board. This just isn't so - and a Council has no more right meddling in the affairs of School Boards than School Boards have in advising Council how to govern the Town. Granted, there are many areas of very close co-operation as demonstrated in our Joint-Use Programme in St. Albert, and the fact that School Boards are, of course, vitally interested in Town planning. But, we each have our own responsibilities to our own elected body and we both operate under different Statutes of the Provincial Government - School Boards under the School Act and we under the Town and Village Act, as the case may be.

I have recently been asked if our Finance Committee examined the School Boards' Budgets. What utter nonsense! That we are a tax collector for the school Boards (which is as it should be for the sake of expediency, efficiency and economy), does not at the same time give us the duty or right to study the budget. Certainly, the Town and Village

Football team blanks Ponoka

ST. ALBERT'S FOOTBALL TEAM PILED UP IT'S SECOND STRAIGHT WIN IN PONOKA SATURDAY OCT. 15th, WITH A SCORE OF 7-0 OVER THEIR HOST TEAM.

The only touchdown of the game came in the third quarter when LARRY POWERS blocked Ponoka's 3rd down kick and LIONEL BONNEVILLE recovered in the end zone for the T.D. Phil Racine passed to Art Bretton for the point.

Powers, playing two ways all afternoon, sparked the defense with plenty of help from Terry Hotkly, Danny Calhoo and Ken Falkingham. Earl "The Squirrel" Chlmko, 113 pounds of bone and grit, intercepted two passes on defence.

Stand-outs of the Offence were Phil Racine and Art Bretton. Next game goes at Camrose Wednesday evening and the team hopes to have Stettler in St. Albert later in the month.

\$70,000 DEFICIT

Continued from Page 1

Trustee and said that "I felt it was my duty as a board member to bring this situation to the attention of the St. Albert Ratepayers."

This release was the main reason that Chairman Walker had called this special meeting and was also the reason that Trustee Ron Harvey took the chair for the balance of the meeting.

The chairman had a difficult task, as he had not heard the radio release himself, nor did he have the contents. After a long agitated debate between Bob Russell and a solid Board covering the term "deficit", the date that the secretary-treasurer discovered the error and the date or dates that this error was brought to the attention of the Board, it became evident that the majority of the trustees were agreed on the following points:

ing points:

1. The Board admits the \$70,000 error in calculations.

2. Teachers and students will not suffer for this error.

3. It appears that money budgeted for maintenance etc., will cover this error.

4. The 1966 school operation will show a deficit of slightly over \$5,000.

5. The matter of the radio release will come before the Board during the next board meeting.

Following this meeting Chairman George Walker decided to take Legal Action against Bob Russell in regard to his radio release.

GIBBONS NEWS:

Special to the Gazette:

Spencer Holmes and Thomas Morin are running in the Oct. 19th Town of Gibbons election for the position left vacant by Al Sustrik, former mayor. They were nominated Sept. 28th.

Linda Hogg was the recipient of a \$250 scholarship presented by the Ladies Auxiliary to the Royal Canadian Legion. Linda is a first year student in Honours Biochemistry at the University of Alberta.

Other Gibbons students at the University are William Konsorodo, Benjamin Toane and Barry Rigney.

They've got everything But a sponsor!

The thirty six boys, drawn from all the high schools in St. Albert who make up our football team are proving over again this season that they are a hard-working, strong team and one that is respected for good sportsmanship as well as calibre of play.

Their coach, Emil Pelletier, who donates a good deal of time to the club, got a team going here two years ago. The Hercules Club gave them a big boost by providing complete uniforms at no expense which include full range of safety protection equipment. The boys are also fortunate in having an enthusiastic and well qualified coach who is keenly interested in both the sport and the boys. He took his schooling in St. Albert and following try-outs, made the Edmonton Huskies and played two full seasons with them.

During their first season the team, minus a sponsor, was able to arrange only one game with a league team, that of Camrose. On discovering the calibre of the St. Albert team, Camrose asked for another game the next season and 3 further games were arranged - with Lac La Biche, St. John's College, Edmonton and Drayton Valley.

This year the boys have had four games. Two of them against league teams and St. Albert won both of them. But they are barred from league competition for lack of an approved sponsor, and the games are exhibition only. The boys provide for all their own travelling and incidental expenses.

They begin training early - in August - and must be in real good shape before playing any games. A sprained ankle and a hurt finger, both coming along fine, are the only injuries suffered to date. This is despite the fact that the team has a good number of comparatively young players, aged 15 and 16 years. (League age limits are 15-19).

Some of these young fellows have had try-outs with the junior Wildcats in Edmonton and next year they expect to have at least 3 players graduate to the Wildcats.

It seems a shame that our St. Albert football team is unable to get an approved sponsor.

Public Works Committee discuss messy premises

Committee Meeting held Oct. 3rd, 1966:

PRESENT: were Councillors Bakker, Gibbon and Donals, Mr. Wheatling, Mr. Woodroffe, Mr. Roberts, Mr. Maandag, Chairman Councillor Bakker, MISSION PARK INDUSTRIAL SUBDIVISION:

Further to the feasibility of developing the industrial subdivision in Mission Park, as discussed in the Public Works

FINANCE COMMITTEE CONTINUED FROM PAGE 1.

little more time in trying to obtain accommodation.

This matter was tabled to the next Finance Committee meeting for a report by the Secretary-Treasurer.

EXEMPTED PROPERTIES HEARING:

Mr. Wheatling had been in touch with the Local Authorities Board who had advised him that it would be in order for the Town to submit a brief in regard to exempt properties. Considerable discussion followed as to what action the Committee should take in regard to a brief and the following resolution was put forward, that the staff obtain information for the Finance Committee to consider re. the operations of tax exempt properties in St. Albert and the Edmonton Area, in light of the provisions of the Municipal Tax Exemption Act, UNION OF ALBERTA MUNICIPALITIES - RESOLUTION re. Two Tax Notices:

Mr. Wheatling informed the Committee that he had now heard from the Town Solicitors who had suggested that before the Town could safely take the approach of two separate levies, the Legislation would have to be clarified.

It was decided that a resolution be prepared for presentation to the Union of Alberta Municipalities Convention, permitting the issuance of two tax notices. ADJOURNMENT:

PLUMBING

Service Calls

599-6268

ST. ALBERT
HARDWARE
& PLUMBING

Committee Meeting of September 6th, 1966, a revised proposal of subdivision was brought forward by Mr. Woodroffe. In the revised proposal, the length of roadways and required services has been cut down drastically, and it was pointed out that development of this area may be possible if the services to be installed were kept to a minimum and only gravelled roads with ditches, and water were provided. This would mean that any development would require its own septic tank for sewer service.

The Committee recommended to Council that the proposed subdivision be approved in principle, and that the Engineer prepare a report in regards to servicing.

PREMISES PROBLEM:

Mr. Jack Cohen, Mr. Shtabsky, Mr. Witten, and Mr. R. Weiss were present, and this meeting was arranged to explore the possibilities of a solution in regards to the unsightly condition at the Jasper Auto Parts premises. Mr. Woodroffe recommended that negotiations with the parties involved should be with an open mind. Councillor Bakker stated that, firstly, good faith should be shown by Jasper Auto Parts by cleaning up the present condition before requests for additional space could be considered. Mr. Shtabsky stated the position taken by Mr. Jack Cohen, his client, and mentioned that since it was only a year and a half ago that Mr. Jack Cohen commenced the operation of Jasper Auto Parts, it would be most difficult to submit a formal proposal binding for a considerable length of time. However, he said that he would like to find a solution to the existing problem, and the major problem is the empty hulls of the cars since there is, at the present no market for these. Double handling by storage at a secondary site, and from there to scrap dealers, would not be economically feasible, but rather that they would like to expand at the present site, and they would be willing to enter into an agreement which would provide for an acceptable bond.

Mr. Witten stated, as the executor of the estate of the late Harry Cohen, that Jasper Auto Parts had been started some eighteen years ago by the late Mr. Cohen, and that some informal agreement had been granted by the Municipal District to go ahead with the business at the present site. The seventeen acres used at that time became inadequate and approximately six years ago, an agreement was reached with the Town for the building, and arrangements as

REGISTRATION A SUCCESS

- Many citizens of St. Albert and district registered last Tuesday for the Fall and Winter Classes sponsored by the St. Albert Recreation Department. For the first time registrations included a number of residents of the Sturgeon Municipality, a source of great satisfaction to the Department. The circulation of the Gazette was recently expanded into the municipality with the aim of fostering a closer contact between town and country residents. For more recreation news see page 5 of this issue. Pictured above are some of the people on hand to register in the wide variety of courses offered by the energetic Recreation department.

they presently exist. The land still remained zoned as agricultural. It is now the desire of the executors to sell the property. If possible; however, buyers would most likely insist on a certain zoning regulation allowing some industrial or commercial establishment to operate from the property. He pointed out that the estate and Mr. Jack Cohen, the operator of Jasper Auto Parts, are two different parties with possibly different interests, but that he also wishes to co-operate with the Town. Mr. Shtabsky pointed out that he could not state at this time when Jasper Auto Parts would be able to

Act allows certain appeals to the Local Authorities Board by the Town, but to my knowledge an appeal has never been allowed

An attempt should be made by all citizens to understand the problems and duties of both elected Bodies. There are those that will believe the School Boards have a larger and more important job than your Town Council. This I will not deny - they deal with the youth of the Nation.

Within the next couple of months I will be asking both School Board Chairmen to do a guest column in my place in order to better acquaint our citizens with some of their problems and duties.

Letters, Petition occupy Council

**INCREASED SPEED LIMITS:
LIMITED PARKING
REQUESTED:**

SPEED LIMITS:

Three letters and a petition bearing 173 signatures were received by Council at their regular meeting on October 11, regarding the proposed increase in the speed limits. Councillor Donalds stated that he had been against this increase from the start. "Thirty miles per hour is all right on through streets, but for the life of me I can't see 30 on service roads and crescents".

Councillor de Bruijn commented: "It's amazing how you

can get action on a petition". He added: "The speed limits as set out in the Town and Village Act were meant for horse and buggy days. We have somewhat progressed beyond that point". Councillor Wheatley suggested that maybe "we could have some consultant from Toronto" to look into the matter. To which Councillor Bakker replied: "We have not even budgeted for the change in signs."

PARKING RESTRICTIONS:

A petition was received signed by businessmen on Piron Street asking that parking in front of their premises be limited as to time. Mayor Fowler

said: "I am afraid that someday someone on Piron Street is going to get it. This is a dangerous street what with angle parking, it is too narrow".

Councillor Bakker asked when a 2 hour time limit was set "who would enforce regulations in regards to the R.C. M.P. cars". Councillor Bakker also pointed out to Council that when parking was changed to parallel parking this would cut down the number of stalls by 1/3.

This matter was referred to a special meeting of the Public Works Committee to which the petitioners would be invited.

FIRE RATES:

Councillor Gibbon reminded Council that the St. Albert Fire insurance rates were still 10% higher than in Edmonton. Councillor Gibbon felt that some consideration should be given to the fact that the Town's Fire department now has one more pumper engine at its disposal and also that we will soon have our second water reservoir. Councillor Gibbon moved that the Town's insurance broker look into this matter. "I personally detested paying this extra 10% Mr. Gibbon added

JOINT USE:

Councillor Gibbon said, "Under Joint Use it was my understanding that the school grounds were to be brought up to standard by the Boards and then maintained by the

Many of us like to have a pet around the house despite the more and more tighter dog and cat by-laws. But two young St. Albert men, Bill Moe and Ken Perry, try to get around this difficulty as they adopted a Porcupine as their favourite pet. The picture shows Ken feeding the unusual pet who shows to be more clever and obedient than they ever expected.

Town. This has not been done. Our track and field has to go into Edmonton to use the track facilities there". The Councillor added that he was afraid we might lose some of our track people because of lack of facilities.

The Mayor replied that both the school boards have been advised what has to be done. "I don't know when they will take action", he added.

MISSION MUD:

The Town Engineer reported on the drainage problem on Mount Royal Drive. Mr. Maandag said that he had a verbal agreement with the Youville Home architects to have their boiler room and weeping tile drainage put into the sanitary sewer. The architects will be asked to have this change over completed by the end of this month.

\$618.72 WATER BILL:

It appears that the meter reader was not able to read the meter for several months. This is why the bill was allowed to accumulate. The owner of the property has now forwarded a key to the Town and no further estimated readings are anticipated.

FIRE INSURANCE RATES:

Councillor Gibbon advised Council that he had discussed the matter of fire insurance rates being 10% higher in St. Albert than in the City of Edmonton, with Mr. Wilkin of Reed, Shaw & McNaught, when at the U.A.M. Regional meeting held in Leduc. He felt that because of the additional protection being afforded the Town by the new fire pumper and the proposed 500,000 gallon water reservoir, the Town should look into the matter with a view to having the insurance rates reduced, both for the citizen and the Town itself.

MORE ON SPEED LIMITS:

Councillor de Bruijn moved the first reading of By-law No. 53/66, being a By-law to amend the Traffic By-law by changing the speed limit within the Town to 30 m.p.h. and on the Highway within the Town limits to 40 m.p.h.

During the discussion of first reading, it was brought to Council's attention that a number of letters of objection to the proposed increase in the speed limit had been received, together with a petition signed by 173 residents, also objecting to the change. These items were now presented. Councillor Bakker felt that the matter should be dealt with by the Public Works Committee and that the people objecting given an opportunity to present their views and hear Council's reasons for proposing the change. Mayor Fowler pointed out that the petition and the letters had been addressed to Council and should be received as such and not referred to a Committee. Reference was made to a letter from the Public School Board which advised that there had been four fatal accidents on the Highway within the Town. Councillor de Bruijn asked what period of time this covered as he was aware of only one fatality since the new highway was built and the 35 m.p.h. speed limit imposed. He felt that this statement was a distortion of the facts.

It was recommended that the whole matter, including the By-law, letters and petition, be referred to the Public Works Committee.

MINISTER OF HIGHWAYS:

Mr. Wheatling presented a letter from the Hon. Gordon E. Taylor, advising that the speed limit on Highway No. 2 would remain at 40 m.p.h. for the present time and that a speed study would take place after illumination and further consideration given to the Town's request to increase the 40 m.p.h. zone to 50 m.p.h.

By-law to name a street in the Town, "MISSION PLACE" was given final reading.

NO PARKING SIGNS:

A letter from the Public School Board, requesting that "No Parking" signs be erected at the Vital Grandin School to allow for the loading and unloading of school buses, was referred to the Public Works Committee for study and recommendation as was a letter requesting that.

PUBLIC WORKS COMMITTEE Continued from Page 3

re-locate the complete operations; however, that expansion at the site would be better for the estate through the possibility of a sale. Further, that it would be better for Jasper Auto Parts since it is an operating requirement, and thirdly, that it would be better for the Town since it would solve an unsightly condition.

Councillor Bakker stated the following course would be a possibility of solving the problem: Firstly, the need of showing good faith by Jasper Auto Parts; secondly, the existing use must terminate after nine years; thirdly, expansion only with a proper agreement with a bond, and fourth, only then a look at the ultimate zoning of the property. Mr. Witten stated that it was only a matter of time before a second user would come along to take over from Armstrong-Lawrence, and that at that time he would be in a better position to know how to deal with a possible re-zoning. Mr. Shtabsky, however, pointed out that this would leave Jasper Auto Parts in an uncertain position, and that he would like to get Council's approval in principle for the expansion. Mr. Witten then stated that if we can resolve the problem of Jasper Auto Parts, re-zoning would follow at a later date. It was pointed out that, even re-zoning would not permit Jasper Auto Parts as a conforming use. Councillor Gibbon suggested that a proposed bond agreement be submitted by Jasper Auto Parts to the Committee, providing for an acceptable bond, beautification, proper parking lots, and limits of operation. Mr. Shtabsky agreed to this and said that he would submit a written proposal to that effect.

Council decided to request

from the Edmonton Regional Planning Commission a report on the feasibility of secondary sites for auto wreckers near the Town, and that the staff be instructed to determine from our Solicitor whether an enforceable agreement for the use of the existing site can be drawn up.

MISSION PARK SCHOOL HONOURS GRADUATES:

Barbara Bambush and Wendy Wallace, students at Mission Park School, passed their Grade 9 Departmental examinations with averages of over 80% last term. Barbara is now attending St. Albert High School and Wendy is at school in Victoria, B.C.

Sturgeon School Board book awards are presented annually to the most deserving student in each classroom. The award winners are nominated by the staff of the school and are selected on the basis of individual development and contribution to the welfare and progress of the school. Winners for last term, who received their prizes on the final day of school were: Karen Flynn, G. 1; Laurette Bourgeois, Gr. 2; Albert Schmid, Gr. 3; Dianne Kuhn, Gr. 4; Nancy Rubuliak, Gr. 5; Beatrice Grenier, Gr. 6; Dale Senuk, Gr. 7; Dennis Van Oene, Gr. 8 and Gregory Finnegan, Gr. 9.

French is taught at Mission Park in Grades four through nine using the Audio-Aural-Visual type of modern program under teacher Paul Tellier, a specialist in Oral French. Each Grade is given 20 to 25 minutes of instruction PER DAY. An Audio-visual room is equipped for the purpose with Tape Recorder and Film-strip Projector. The course attempts to create an environment which reflects the need, emotions and interests of young people. It is designed to create a situation which will evoke spontaneous and natural responses in French. The course is in line with modern thinking in improved French teaching, using the "Bonjour Line" program.

Mission Park may also be proud of the very fine results achieved last term by their Math students.

226 students were enrolled last term at Mission Park which includes both Town and Country and both Protestant and Roman Catholic students. Principal Mr. L. Tellier has a staff of ten teachers.

Credit Union Day sees progress here

October 20th is International Credit Union Day, celebrated annually since 1948 in countries all over the world. By tradition in some areas the week Oct. 16-22 is also observed as "Credit Union Week". More than 27 million people in more than 70 countries of the free world are linked in observances of this special day of the credit union movement.

THE ST. ALBERT SAVINGS & CREDIT UNION LIMITED OBSERVES CREDIT UNION DAY WITH SATISFACTION AS IT REVIEWS A FINE RECORD OF GROWTH IN BOTH MEMBERSHIP AND ASSETS SINCE BEGINNING FULL TIME OPERATION IN DECEMBER OF 1963.

At that time the company had assets of 30 thousand dollars and an active membership of 204. After one year's operation assets had grown to 70 thousand dollars and membership to 330. By December 1965 both figures increased to 120 thousand dollars and 418 members.

For September, 1966 the assets of St. Albert Savings and Credit Union are 168 thousand dollars and membership has risen to 508. Thus assets have increased more than five fold and membership has increased by two and one-half times in the two years and nine months since Dec. 1963. This excellent rate of growth demonstrates both the potential of the company and the need which it is fulfilling in the community.

Theme for the 1966 observ-

St. Albert Artists

The Catholic Women's League of St. Albert has chosen as its Centennial project, to purchase a painting or paintings to be hung in the new Centennial Library.

To further this project, C.W.L. will be sponsoring an ART SHOW to be held in the early spring.

We are convinced that St. Albert has many worthy artists who would welcome the opportunity to display their artistic talents.

If you are interested, please contact:

Mrs. W. Borgstede - 599-6801
or Mrs. M. Brown - 599-6237.

ances of Credit Union Day is "Better Living In Any Language" and celebrations will be carried on from Kenya to Connecticut, from Quebec to Queensland with banquets, parades, motorcades and many other events. Prime Minister Pearson of Canada and President Johnson of the U.S.A. lead the list of prominent leaders who have issued special Credit Union Day greetings.

MORINVILLE LIONS:

Sister Marie Agnes and Mr. Louis Voghell have been chosen to judge local entries in the Lions International's Peace Essay Contest in an announcement by President Norm Tremblay of the Morinville Lions Club. Interested contestants should contact Mr. Jeet Khullar in Morinville. (Ph. 256-3519).

DRAMA READINGS:

St. Albert on Sturgeon Players are going to present the "Diary of Anne Frank" in February, under Director Joost Weerhym. There are some very good parts for male leads which aren't filled and lots of backstage work for interested people. Where would you use OZITE Town 'N' Terrace Carpet made of Vectra fiber?

Use your Imagination!

Ozite Town 'N' Terrace Carpet is the original outdoor-indoor carpet... proven with over 7 million yards already in use!

6.95
Sq. Yard.

It's so durable you can use it outdoors—on porches, patios, even boat decks. So attractive you'll want to use it indoors. Use it in any room—even the kitchen or bathroom. Ozite Town 'N' Terrace Carpet is made of remarkable new Vectra polypropylene olefin fiber—a fiber that refuses to absorb moisture, resists stains. Spills and splashes whisk away, usually with just soap and water. Vectra fiber resists fading... won't rot or mildew... is non-allergenic. Easy to install, it's cut with scissors, stays flat. Choose from 16 fashion-right colors in widths up to 9 feet, any length.

Legal Girl Expo Hostess

The Alberta Government Telephone Public Relations and a representative of the Canadian Telephone Association scrutinized a number of young ladies from which 14 were interviewed and 6 were chosen to be hostesses in the Canadian Telephone Pavilion for the Expo.

BAPTISMS:

Robert Todd Ohotinsky, son of Mr. & Mrs. Nicholas Ohotinsky was baptized October 9th by E. Sheridan, Deacon. Sponsors were Edward & Rose Muchowski.

Dean Sheldon Biollo, son of Mr. & Mrs. Raymond Biollo was baptized by E. Sheridan, Deacon. His godparents were John & Helen Funtasz.

Martin Henry Loren Van-Brabant was also baptized the same day by E. Sheridan, Deacon. Sponsors were Henry & Irene Vollmer.

Rev. M. J. Lafrance, O.M.I. officiated at the baptism of Ronald Laurier Joseph Regimbald, son of Mr. and Mrs. Laurier Regimbald. His godparents were Wilfrid & Anne Marie Regimbald.

Sunday, October 16th, James Richard Moore, son of Mr. & Mrs. Terrence Moore was baptized by Rev. C. Levangie, O.M.I. His sponsors were Mr. & Mrs. William Kerscher.

Group parish visits are being organized this year in order to emphasize the community aspect within our parish. We will try to evaluate the spiritual and social aspects of our parish and see how we measure up to the call of ecumenism. A group of six to eight families will meet in different homes for an evening of discussion on the different problems - social, economic and religious.

There will be a Folk Mass at 9:30 a.m. next Sunday. Seminarians from St. Joseph's Seminary will be in attendance. A special invitation is extended to all the youth of the parish and their parents. This Mass can be an occasion for us to express our religious sentiments in "a modern way".

The Scouts will hold a bottle drive on Saturday of this week. Let us encourage our boys by supporting them in this project their first one of the year.

We are proud to say that one of our own Legal girls in the person of Juliette Prefontaine was one of the fortunate.

Their expenses are being paid to and from Montreal and all necessary accommodations are being arranged for their comfort and convenience.

They will also receive a living-out allowance to cover extra expenses.

The privileged ones will leave Edmonton in mid March to return at the end of October.

Congratulations and Good Luck to you Juliette and your friends.

MR. & MRS MIKE ZIMANSKI OF ROCKY MOUNTAIN HOUSE WERE IN LEGAL VISITING FRIENDS FOR THE WEEK-END.

MR. & MRS. TED, CASAVANT AND FAMILY TRAVELLED TO

DRUMHELLER FOR THE LONG WEEK-END TO VISIT THEIR SON AND DAUGHTER IN LAW, MR. AND MRS. BERNARD CASAVANT.

MR. AND MRS LEON BRISSON WERE VISITING MRS. J. R. ST. MARTIN FOR THE WEEK-END.

MR. AND MRS. GERRY LAROSE AND FAMILY FROM STETTNER VISITED THEIR FRIENDS AND RELATIVES OF LEGAL FOR THE LONG WEEK-END.

A FAMILY REUNION AT THE HOME OF MR. & MRS. WILFRID LAROSE WAS HELD ON SUNDAY TO CELEBRATE MRS. LEON PREFONTAINE'S BIRTHDAY.

*5th Annual
A.J.C. Awards*

Calgary Power is proud to announce 1966 Award Winners

KEITH WRIGHT,
Edmonton

Alberta Junior Citizen of the Year.

You'd think one heroic deed a year was enough for any 11-year old boy — but not for our award winner, Keith. Last summer Keith and his friend Kenny Beisel were walking along Mill Creek. Attracted by the cries of some children, they discovered 2-year old Debbie Shulz lying face down in about three feet of water. Keith waded into the water, pulled the child out and handed her to Kenny. After making sure she was breathing, they took her home. The other heroic deed? Last April when Keith was on a Boy Scout hike in the Rainbow Valley area, he courageously used

his windbreaker to extinguish a menacing grass fire. The windbreaker was burned, but the fire was put out!

We congratulate Keith and his enterprising friend Kenny, and thank Alberta's Weekly Newspaper Editors for their active co-operation in the Alberta Junior Citizen of the Year program, sponsored by Alberta's investor-owned electric utility companies.

This is one of a series of Junior Citizen Award announcements. Our special thanks to Mrs. Dalton, Editor of the Beverly Page and to Keith's nominator, Germaine Dalton of Edmonton.

Morinville Council Meet

Special Meeting:

Mayor Soetaert, Deputy Mayor Stapleton and Councillors Blackburn, Calder, Chalfoux, Demers and Ouellette were on

hand for a special meeting of the Morinville Town Council Sept. 29th.

No objections had been received on closing the lane imm-

ediately South of Lots 1 and 2 (Plan 2278MC) and first reading was given the by-law for closing the lane.

A motion was passed accepting the Preliminary Agreements for purchasing property for a drainage ditch from Armand Himschoot and Albert Craig.

It was decided to advertise for Janitor Services for the Office Building, required twice weekly.

Progress payment on work performed by Sinclair Concrete on curbs and gutters on Grandin Avenue was approved according to recommendation from Town Engineers.

Mr. Hanson of Regional Planning Commission was to be asked to investigate the matter of a power pole removal immediately south of Lot 4, Block 13, Plan 2778MC.

SEWER AND WATER FORGET AVENUE:

Following an interview with George Whissell a tender in the amount of \$6,208.50 was approved for the construction of about 370 feet of Sewer and Water Mains, and Ten Service Connections on Forget Avenue was approved.

Final reading was given the amendment to traffic by-law 549 after discussion with Const. C. Dubord.

A congregational meeting of the United Church in Morinville will be held Thursday, Oct. 27th at 8:00 p.m. ALL MEMBERS ARE URGED TO ATTEND AS THIS IS MOST IMPORTANT TO THE FUTURE OF OUR CHURCH

One Man's Viewpoint

by Robert Russell

CENTENNIALISM:

Canadian's as a whole haven't yet become even mildly excited about Centennialism, unless, it's the agitation some of us feel over the staggering cost of the Birthday Party.

The Centennial Celebration seems only to be a thin veneer. In other words, there is no depth of meaning. Young people in particular are looking for a new vision for Canada; a break from the old disruptive elements and threats of disunity.

They are concerned about our nationalism, our unity, and about our people. They want a new hope for some of our less fortunate, such as the forgotten Indian who has been left behind in our development and prosperity.

The fun and gimmickery can be exciting, but unless our 100

year takes on a deeper and more responsible meaning, the ringing of the Centennial Bells will sound hollow to those who are concerned about our great country.
